Authorized Federal Supply Schedule Price List

On-line access to contract ordering information, terms and conditions, up-to-date pricing, and the option to create an electronic delivery order is available through GSA Advantage!TM, a menu-driven database system. The INTERNET address for GSA Advantage!TM is <http://www.GSAAdvantage.gov>.

Schedule for - Professional Engineering Services (PES)

Federal Supply Group: 871 Class: R425

Contract Number: GS-IOF-0123W

**For more information on ordering from Federal Supply Schedules
click on the FSS Schedules button at <http://www.gsa.gov/schedules-ordering>**

Contract Period: February 25, 2010 through February 24, 2010

Contractor:	SEAIT, LLC 1831 E. Catamaran Dr. Gilbert, AZ 85234 2717
Business Size:	Small, Woman Owned Business
Telephone:	(310) 977-9964
Extension:	
Fax Number:	(480) 899-2222
Web Site:	www.goseait.com
E-mail:	jim.sarina@cox.net
Contract Administration:	Jim Sarina

(CUSTOMER INFORMATION)

- la. Table of Awarded Special Item Number(s) with appropriate cross-reference to page numbers: 871 -1 (EE,ME),871-1 RC,871-2(EE,ME), 871 -2RC, 871 -3(EE,ME), 871-3RC, 871 -4(EE,ME), 871-4RC, 871-5(EE,ME), 871-SRC, 871 -6(EE,ME), 871-6RC

SERVICE	GSAA Price (including IFF)
Senior Systems Engineer	\$182.24
Senior Systems Engineer – SME1	\$177.30
Senior Systems Engineer – SME2	\$236.40
Systems Engineer	\$152.68
Senior Engineer2	\$139.50
Senior Engineer1	\$132.21
Business Analyst	\$100.40

- 1b. Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract. This price is the Government price based on a unit of one, exclusive of any quantity/dollar volume, prompt payment, or any other concession affecting price. Those contracts that have unit prices based on the geographic location of the customer, should show the range of the lowest price, and cite the areas to which the prices apply.
- 1c. If the Contractor is proposing hourly rates a description of all corresponding commercial job titles, experience, functional responsibility and education for those types of employees or subcontractors who will perform services shall be provided. If hourly rates are not applicable, indicate "Not applicable" for this item.

SEAIT, LLC understands and accepts that the SCA is applicable to this contract as it applies to the entire Professional Engineering Services Schedule and all services provided. SEAIT, LLC realizes that, while no specific labor categories in our proposal have been identified as being subject to SCA due to exemption for professional employees, this contract still maintains the provisions and protections for SCA eligible labor categories. Therefore, if and/or when SEAIT, LLC adds SCA labor categories/employees to the contract through modifications, SEAIT, LLC must inform the Contracting Officer and establish a SCA matrix identifying the GSA labor category titles, the occupational code, SCA labor category titles and the applicable WD number. SEAIT, LLC understands and accepts that its failure to do this may result in cancellation of the contract

Title: Senior Systems Engineer

Performs complex evaluations and analyses of engineering procedures, processes, techniques, models and systems and recommends solutions. Provides daily supervision and direction to engineering and administrative staff.

Minimum Education: Master's degree in engineering, physics, or other related technical or scientific discipline with 25 years industry experience.

Minimum Experience Requirements: Must have twenty-five years of experience which exhibit increasing levels of responsibility. This senior professional position is an engineer (or scientist) who is knowledgeable in generic areas relating to advanced technological systems and concepts and is also able to solve complex programs in any technical area. Proven supervisory skills in managing engineering projects. Progressive experience in design, integration, and analysis of complex systems. Specialized experience required includes: complete engineering project development from inception to deployment, demonstrated ability to provide technical guidance and direction in multiple tasks across several functional areas and including the use of different technologies. Proven expertise in applying engineering related technologies. Demonstrated skill in the management and control of funds and resources, demonstrated ability in managing complex multi-task contracts.

Substitution Methodology: 30 Years experience plus BS Degree

Title: Senior Systems Engineer-SME1

Expert in single or multiple technical disciplines providing expert knowledge and insight into specific areas of science and technology. Guides the development and application of this knowledge to the project Independently performs a variety of system design and integration tasks where subject matter expertise is required.

Experience: Proven independent analyses skills in a technical discipline. Exhibits experience in planning,

scheduling, conducting, and/or coordinating detailed phases of engineering projects.

Minimum Education: Possesses a Doctor's degree in engineering, physics, or other related technical or scientific discipline. Minimum 10 years experience as a practicing PhD.

Substitution Methodology: Possesses a BS or MS degree in engineering, physics, or other related technical or scientific discipline. Minimum 20 years experience.

Title: Senior Systems Engineer-SME2

Expert in single or multiple technical disciplines providing expert knowledge and insight into specific areas of science and technology. Guides the development and application of this knowledge to the project, independently performs a variety of system design and integration tasks where subject matter expertise is required.

Experience: Proven independent analyses skills in a technical discipline. Exhibits experience in planning, scheduling, conducting and/or coordinating detailed phases of engineering projects.

Minimum Education: Possesses a Doctor's degree in engineering, physics, or other related technical or scientific discipline. Minimum 30 years experience.

Substitution Methodology: Possesses a BS or MS degree in engineering, physics or other related technical or scientific discipline. Minimum 30 years experience.

Title: Systems Engineer

Experience: Proven supervisory skills. Progressive experience in planning, scheduling, conducting and/or coordinating detailed phases of engineering projects.

Minimum Education: Possesses a BS degree in engineering, physics, business administration or other related technical or scientific discipline with 18 years industry experience

Substitution Methodology: 30 Years experience = BS degree.

Title: Senior Engineer2

Experience: Proven supervisory skills. Progressive experience in planning, scheduling, conducting, and/or coordinating detailed phases of engineering projects.

Minimum Education: Possesses a BS degree in engineering, physics, business administration or other related technical or scientific discipline with 15 years industry experience.

Substitution Methodology: 20 Years experience = BS Degree

Title: Senior Engineer1

Experience: Established supervisory skills. Progressive experience in planning, scheduling, conducting, and/or coordinating detailed phases of engineering projects.

Minimum Education: Possesses a BS degree in engineering, physics, business administration or other related technical or scientific discipline with 10 years industry experience

Substitution Methodology: 15 Years experience = BS Degree

Title: Business Analyst

Performs complex evaluations of existing procedures, processes, techniques, models and systems related to management problems or contractual issues that would require a report, and recommends solutions. Principal duties may include preparing work breakdown structures, charts, tables, graphs and diagrams to assist in analyzing problems. May provide daily supervision and direction to administrative staff.

Minimum Education: Possesses an AA or BS degree in business administration or other related business or accounting and a minimum of 8 years experience. EVMS desired.

Substitution Methodology: 25 Years experience in the Aerospace industry in relevant business/administrative/accounting positions.

2. Maximum Order: \$1,000,000.00

3. Minimum Order: \$100.00

4. Geographic Coverage (delivery Area): Domestic only

5. Point(s) of production (city, county, and state or foreign country): Same as company address

6. Discount from list prices or statement of net price: Government net prices (discounts already deducted).

See Attachment.

7. Quantity discounts: None Offered

8. Prompt payment terms: Net 30 days

9a. Notification that Government purchase cards are accepted up to the micro-purchase threshold: Yes

- 9b. Notification whether Government purchase cards are accepted or not accepted above the micropurchase threshold: will accept over \$3,000
10. Foreign items (list items by country of origin): None
- 11a. Time of Delivery (Contractor insert number of days): Specified on the Task Order
- 11b. Expedited Delivery. The Contractor will insert the sentence "Items available for expedited delivery are noted in this price list." under this heading. The Contractor may use a symbol of its choosing to highlight items in its price list that have expedited delivery: Contact Contractor
- 11c. Overnight and 2-day delivery. The Contractor will indicate whether overnight and 2-day delivery are available. Also, the Contractor will indicate that the schedule customer may contact the Contractor for rates for overnight and 2-day delivery: Contact Contractor
- 11d. Urgent Requirements. The Contractor will note in its price list the "Urgent Requirements" clause of its contract and advise agencies that they can also contact the Contractor's representative to effect a faster delivery: Contact Contractor
12. FOP Point(s): Destination
- 13a Ordering Address(es): Same as Contractor
- 13b. Ordering Procedures: For supplies and services, the ordering procedures, information on Blanket Purchase Agreements (BPAs) and a sample BPA can be found at the GSA/FSS Schedule home page (fss.gsa.gov/schedules). F.O.S
14. Payment addresses: same as company address.
15. Warranty provision.: Contractor's standard commercial warranty.
16. Export Packing Charges (if applicable): N/A
17. Terms and conditions of Government purchase card acceptance (any thresholds above the micropurchase level): Contact Contractor
18. Terms and conditions of rental, maintenance, and repair (if applicable): *N/A*
19. Terms and conditions of installation (if applicable): *N/A*
20. Terms and conditions of repair parts indicating date of parts price lists and any discounts from list prices (if applicable): *NI A*
- 20a. Terms and conditions for any other services (if applicable): *N/A*
21. List of service and distribution points (if applicable): *N/A*
22. List of participating dealers (if applicable): *N/A*
23. Preventive maintenance (if applicable): *NI A*
- 24a. Environmental attributes, e.g., recycled content, energy efficiency, and/or reduced pollutants: *NI A*
- 24b. If applicable, indicate that Section 508 compliance information is available on Electronic and Information Technology (EIT) supplies and services and show where full details can be found (e.g. contractor's website or other location.) The EIT standards can be found at: www.Section508.gov.
25. Data Universal Numbering System (DUNS) number: 14-1057799
26. Notification regarding registration in Central Contractor Registration (CCR) database.
